

Connecting **students, parents, educators, counselors, and industry** to raise awareness and provide information about technical careers and opportunities, and the importance of **science, technology, engineering and math** related programs.

12th Annual Community Career+Education Forum

**Thursday, September 10, 2026
5:30 to 8:30 p.m.**

Endress+Hauser Campus
2355 Endress Place, Greenwood, Indiana 46143

New this year

Experience CCEF across two buildings! In addition to the Customer Center, attendees will have the opportunity to visit the new Endress+Hauser Innovation Center and George E. Booth Co. Headquarters. This building is home to our Innovation Studio – an interactive STEM space featuring robotics, coding, 3D printing and other hands-on technology experiences for students.

Who's invited

- Middle School Students (7th, 8th and 9th) and Parents
(All students must be accompanied by an adult)
- STEM Teachers, Guidance Counselors, Administrators

What to expect

- Career, education and information booths
- Other local manufacturing booths
- Meet college representatives/learn about degree and certification programs
- Free food, drinks & dessert – dinner on us!
- Contest – test your technical know-how
- Prize challenges
- Awesome door prizes

**EARLY RSVP
by August 21, 2026**
